

PUZZ-3D[®]

Country church

IMPORTANT NOTICE

All pieces with red dots are not part of your PUZZ-3D. You should set these red pieces aside while you attempt your 3 dimensional adventure. CAREFUL!!! Some unmarked pieces do sometimes remain interlocked with the red dot pieces. A quick check on the under side to see if there are skeleton cuts would be most prudent.

Helpful Hints

-Increased handling of your PUZZ-3D does create static cling. Keep an eye on your surroundings and your sleeves while you are working.

-Household pets are very much attracted to this NON-TOXIC foam. They love to play with individual pieces.

-Although Wrebbit Inc. guarantees the quality of it's products, our Customer Service Department is there to help you in any way needed.

-Certain wall parts may be set at different positions without affecting the final result.

-Should anything happen to a piece of your PUZZ-3D, do not be discouraged. Simply send us this technical drawing with the area circled where the problem is occurring. Do not forget to write down your name and address along with your telephone number. Please also specify the color of your foam. Within 4 or 5 weeks, you will receive the required piece(s).

AVIS IMPORTANT

-Les pièces avec des points rouges ne font pas partie de votre PUZZ-3D. Toutefois, certains morceaux du puzzle peuvent demeurer attachés à ces pièces. Pour plus de prudence, nous vous conseillons de les mettre de côté jusqu'à ce que le puzzle soit complété.

-La manipulation de votre PUZZ-3D peut créer de la statique. Soyez vigilant(e) car des pièces peuvent adhérer à vos vêtements lors de la construction.

-Évitez de les mettre à la portée des animaux domestiques car ils adorent mordre ces pièces de mousse NON-TOXIQUE.

-Nous garantissons la qualité de notre produit PUZZ-3D. Par contre, si vous rencontrez certains problèmes avec les pièces de votre puzzle, n'hésitez pas à communiquer avec nous en décrivant le plus clairement possible votre problème. Nous vous suggérons de nous expédier le dessin technique en encerclant la partie concernée.

-Certaines facettes peuvent se positionner à plus d'un endroit sans pour autant affecter le résultat final.

-Prenez soin de bien inscrire vos noms, adresse et numéro de téléphone pour le retour de vos pièces manquantes. Veuillez aussi spécifier la couleur de la mousse de votre PUZZ-3D. Prévoyez un délai de 4 à 5 semaines.
